MONTHLY PERIODICALS

Crops and Markets: A printed monthly statistical periodical, containing the crop report and market statistics on livestock, meats, wool, dairy and poultry products, grain, feed, seed, and cotton, and material of a marketing and economic nature. Sent free to officials and cooperators; \$1.00 a year to others. Foreign \$1.50.

PERIODICALS

The current periodicals issued by the Service are described in a separate publication "Reports Issued by Agricultural Marketing Service." Copies of this list may be obtained by writing to the Marketing Information Section, Agricultural Marketing Service, Washington, D. C.

CURRENT CROP AND MARKET NEWS RELEASES OF BRANCH OFFICES

Current crop and livestock reports and market news quotations on various farm products and issued daily, weekly, and at other intervals through the various branch offices, are not distributed through Washington, but are sent to special mailing lists maintained by each branch office. These releases and reports are described in a separate publication "Reports Issued by Agricultural Marketing Service." These mimeographed reports may be had upon application to the particular branch office issuing them.

MIMEOGRAPHED REPORTS

Many research and service projects of the Agricultural Marketing Service are described in publications that are issued in processed form (mimeographed, multigraphed, multilithed.) These publications are issued in limited editions and are not mailed to general mailing lists. These reports are announced in press releases and in the current periodicals of the Service. Requests to the Agricultural Marketing Service for these will be filled as long as copies are available.
